Dear Mr. Bagde:

This letter serves as notification to Caltrans, FHWA, and FTA for SBCAG 2002 FTIP Administrative Amendment #4. Pursuant to the authority delegated under the 2002 SBCAG FTIP, minor modification to the 2002 FTIP (as described on page 11 of the 2002 SBCAG FTIP) will normally be handled as Administrative Amendments and may be approved at the discretion of the SBCAG Executive Director. I have given my approval to this amendment that makes the following changes to these six projects which are consistent with the requirements in 23 CFR 450:

- Ventura/Santa Barbara Coastal Express – Change in responsible agency
- South Coast Intelligent Transportation Systems - Move \$20 in STIP-RIP finding from FY 05-06 to FY 06-07
- Hummel Drive Extension - Various changes in funding for phases, total local funds, total STIP funds, and total project cost is unchanged
- Fairview Avenue South Improvements - Change funding agency from County of Santa Barbara to City of Santa Barbara
- Santa Claus Beach Lane and Enhancement - Change funding from \$50 TE to \$44 TE and local match is \$6; total project cost remains the same
- Santa Maria Valley Railroad Bikeway Phase II - Change TE in FY 02-03 and FY 03-04; Change Local funds in FY 02-03 and FY 03-04

In adopting the amendment, SBCAG finds that these projects are conformity exempt and that the changes remain consistent with the original 2002 FTIP conformity analysis. SBCAG finds the 2002 FTIP in continuing conformance with the State Implementation Plan for Santa Barbara County.

The 2002 FTIP remains financially constrained and no change is required in the financial plan for the FTIP.

If you have any further questions regarding this amendment, please contact John Asuncion of my staff at (805) 961-8915 (email: jasuncion@sbcag.org).

Sincerely,
